

READING FRIENDS MONTHLY

December 2017

PREK NEWS

MOTOR

In December, we will begin our unit on bowling. We will work on rolling balls and will get lots of practice picking up pins. We will also continue doing our animal walks. Ask your child which is their favorite animal walk or crawl.

Ms. Mindi

DISCOVERY

This month in Discovery Class, we will learn about the solar system. We will also learn about the country of England. We will end the month enjoying an English Christmas tea party.

Ms. Spoon

MATH

This month, the children will practice writing the numbers. We will work on mastering the skill of identifying the numbers 1-20 as well as counting objects to 20. The week before our winter break, we will have fun reviewing everything we've learned so far by playing many math games that incorporate those concepts. Happy Holidays!

Ms. Shary

ART

In the art studio this month, we will be busy creating Christmas art. We will learn to draw and paint Christmas trees, Santa Clause, candy canes and more. We will be introduced to artist Gustav Caillebotte and learn how to draw a cityscape. At the end of the month they will learn about the life of Claude Monet and paint waterlilies.

Ms. Spoon

LANGUAGE

In December, the letters "a" "d" and "l" will be introduced and we will work on our workbooks for each letter. We will continue to focus on the concepts of rhyming words and same vs. different. We will practice spelling and reading using the new letters we learn each week. We are able to create new words every week and it is so fun! We will also spend the month reviewing and practicing writing our letters.

Ms. Laura

A NOTE FROM MS. SPOON

Reading Friends will be collecting the cardboard tubes from your gift wrapping paper for a fun art project we will be making in January.

Thank you!
