

READING FRIENDS MONTHLY

December 2017

PRIMARY NEWS

MOTOR

This month, in motor, we are going to work on holiday exercises. We will be learning ice skating and playing ornament volleyball. It is going to be lots of fun!

Ms. Megan and Ms. Adrienne

DISCOVERY (T/TH)

This is going to be a fun month! We are going to learn about Houston, TX, NASA and space travel. Our book of the month is The Night Before Christmas. In December, we will also learn about the Texas state musical instrument which is the guitar.

Ms. Stacie

MATH

In December we will continue to review our calendar and the weather everyday. We are going to learn the number 5 and will continue to review our shapes and our colors.

Ms. Adrienne

ART

This month in art we are going to be making projects that correspond with the letter "I." We will also be making some fun Christmas art to help celebrate the season.

Ms. Adrienne

LANGUAGE

We only have a few weeks of learning in December but we are going to make the most of it. We will be reviewing all of the letters that we know so far and begin learning the letters "H" "I" and "J." We are going to be practice how to properly use scissors and, of course, will be working on our Christmas songs so that we can wow you at our holiday party!

Ms. Megan

A NOTE FROM MS. SPOON

Reading Friends will be collecting the cardboard tubes from your gift wrapping paper for a fun art project we will be making in January.

Thank you!
